Special Day in Kindergarten

This Friday 12th February will be the first of many Special Days in Kindergarten this year that will reinforce our learning. The children can wear “Silly Socks” to school with their school uniform. Socks can be short, long, frilly, odd, striped or spotty.

Use your imagination!!!

We will be cooking and eating a sausage on a skewer with sauce to reinforce our learning of ‘s’ as one of the sounds from this week. If your child has any allergies to this type of food it is vital that you let us know before Friday.

Thanking you,
ES1 Teachers
